

# NEED A TEMPORARY FREIGHT STORAGE SOLUTION?

As part of our mission to make doing business with us easier, Estes has partnered with Warehowz, an on-demand, cloud-based storage platform that helps our customers find affordable warehouse space without long-term commitments.

## Ask us about the Warehowz platform today, and get access to:

A searchable warehouse directory	More than 500 flexible, prescreened warehouses and fulfillment partners
A centralized dashboard to manage inventory	Low storage minimums
Short-term leases	Simplified payments

Whether you need short-term storage solutions, or help with fulfillment, cross-docking, or inventory overflow—Estes and Warehowz can help!
